### Safety data sheet of Cenospheres

#### 1. Chemical product and company identification

Product Name	Cenospheres
Manufacturer	Cenosphere India Pvt. Ltd. Agarwal House, 2nd Floor, 2 St. Georges Gate Road, Hastings, Kolkata – 700 022. India

#### 2. Composition / information on ingredients

Composition	As attached in our specification sheet.
-------------	---

#### 3. Hazards Identification

Cenospheres is not a hazardous material nor does it contain any hazardous ingredients.

#### 4. First - Aid Measures

In case of ingestion, rinse the mouth. In case of inhalation, skin contact it does not harm in any way.

#### 5. Fire – Fighting Measures

Extinguishing media	Any media can be used.
Unsuitable extinguishing media	None
Special protective equipment	Regular fire fighting equipment

#### 6. Accidental release measures

Personal precautions	None
Environmental precautions	None
Methods of cleaning up	Sweep dry and dispose

### 7. Handling and storage

Handling	Normal
Storage	Normal

### 8. Exposure controls / personal protection

Engineering measures	No special measures required
Control parameters	None required
Personal protection	Not required.
Respiratory equipment	None
Hand protection	None
Eye protection	None
Skin protection	None

### 9. Physical and chemical properties

Appearance	Grey powder
Odour	None
Ph	6 – 7
Boiling point	Not applicable
Melting point	Above 1200 Deg Celcius.
Flash point	Not applicable
Flammability	Not applicable
Auto flammability	None
Explosive properties	None
Oxidizing properties	None
Vapour pressure	Not applicable
Relative density	About .35-.40 grams/cc
Solubility	Not applicable
Partition coefficient	Not applicable

### 10. Stability and reactivity

Conditions to avoid	Not applicable
Material to avoid	None
Hazardous decomposition products	None

### 11. Toxicological information

Cenospheres is non toxic based on data taken from similar products

### 12. Ecological information

Mobility	Not applicable
Degradability	Not bio degradable
Accumulation	Not determined
Short / long term effects on eco toxicity	None
Other adverse effects	None

### 13. Disposal consideration

Can be land filled with house hold refuse in accordance with regulations

### 14. Transport information

As it is non hazardous it can be transported in any suitable manner

### 15. Regulatory information

According to EEC council directive, it is not a dangerous or hazardous substance. Can be handled like any ordinary substance.

### 16. Other information

This data is based on our present knowledge. However they will not constitute a guarantee for any specific product features and will not establish a legal contractual relationship.
